

# New To This Town (feat. Joe Walsh)

## Kix Brooks

I was sittin' at the cafe for a bite  
And couldn't help but overhear this guy  
He just pulled up in a U-Haul truck  
Tell Becky how pumped he was 'Bout movin' here for his new job  
And what a cool little spot it was  
It kinda made me jealous, it made me mad  
Wish I could see this place like that Yeah, I wish I was new to this town  
Just pullin' in, and checkin' it out  
For the first time, wish I could go anywhere  
And not be afraid of finding you there  
Yeah, girl, when I see you around  
I wish I was new to this town I can't put my feet on this sidewalk  
Without hearing you laugh, and hearing you talk  
And every street's a memory  
Of just how good it used to be I can't walk into the corner bar  
Without asking how you are  
And how you're doing, and how you've been  
I gotta go through it all again I wish I was new to this town  
Just pullin' in, and checkin' it out  
For the first time, wish I could go anywhere  
And not be afraid of finding you there  
Yeah, girl, when I see you around  
I wish I was new to this town I wonder what it feels like to hop in my truck  
Not think about us, just go for a ride  
And stop at that stoplight, not think about you  
Sittin' here by my side Yeah, I wish I was new to this town  
Just pullin' in, and checkin' it out  
For the first time, wish I could go anywhere  
And not be afraid of finding you there  
Yeah, girl, when I see you around  
And I feel the way that I do now  
Oh, I wish I was new to this town I wish I was new to this town, oh, yeah  
I wish I was new to this town  
Oh, yeah
