Get Better (Vision Extended Mix) (Feat. Sandy)

KMC

All my love is up to you
Got no reason to go through
Baby you know you make me blue
But I wanna get betterI don't mind if you say no
Darling let your spirit go
If you just try to watch our love
You know we're gonna get betteraaah, aaah get better
Everything is gonna get betterI'm waiting for you
I'm alone and I wonder
trying not to lose my mind
But it doesn't matter
Cuz my feeling is hungry
I just wanna see your eyes
So what can I do
If you say that you're gone now
I dont ever lose my time
If waste in each other
your words and letters
Things are gonna get betterAaaah, aaah I just wanna get better
But you
Don't wanna to much
So I've been
Looking for another life
And now I feel better
Because you know I'm so stronger
So what's the use
Of your lies
in all these empty days and nights
Cuz it's over
And they're gonna get betterAaah, aaah I just wanna get better
Aaah, aaah This love should last forever
Everything is gonna get betterOooooh, my love's up to you
I send a kiss to you
Said I do love you
Said I, said I, said I love you, ohhhThe time of my life
Is gonna get better
The future for us
Is gonna get better
Cuz you turn me on

And I lose control
If we stay together
Yeah we're gonna get better
You know that my love
Is making you strong
And day by day
You will never be alone
Cuz I will be there
Be by your side
You know that
Everything is gonna get better
