

# Your Cross

## Elevation Worship

verse:

My soul has come alive now  
the grave has lost its grip on me

I'm free by the cross

I'm free My shame is gone forever  
the chains have lost their hold on me

I'm free pre-chorus:

The blood of Jesus has now redeemed us chorus:

We lift our voices

We shout out louder

Jesus your cross has saved us

Our God has risen

Your power in us

Jesus your cross has saved us verse 2:

Love awakened my heart

my eyes are open now I see

I'm free by the cross

I'm free pre-chorus

All glory

All praise belongs to you  
who gave it all for me
