

# Possessionless

## Delta Goodrem

All the things that I've collected, stones and shells  
Every word in every book upon my shelf  
Only form a brief description of myself  
But they don't define who I am, I don't think anything can, no If I strip away the non-necessities  
All the damage, all the mess surrounding me  
I don't crave what I have not, I don't need more than I've got  
Its just me that I offer up, up All I got is my body and it's naked for you  
All I got is this heart that I'm willing to loose  
I know in this life I give it everything All I got is this soul and it's shedding it's clothes  
Do you see who I am now you're standing this close?  
You know in these arms you're feeling everything I'm learning what to give, what to protect  
To look into the mirror though I'm not perfect  
It's a work in progress hasn't finished yet  
Wanna be transparent see through  
Not gonna hide me from you All I got is my body and it's naked for you  
All I got is this heart that I'm willing to loose  
I know in this life I give it everything All I got is this soul and it's shedding it's clothes  
Do you see who I am now you're standing this close?  
You know in these arms you're feeling everything I'm completely undressed but I couldn't care less  
I'm standing here possessionless  
It's the only true test when the only thing left  
Is a love that is possessionless, is a love that is possessionless I don't crave what I have not, I don't need more  
than I've got  
Just me that I offer up All I got is my body and it's naked for you  
All I got is this heart that I'm willing to loose  
I know in this life I give it everything All I got is this soul and it's shedding it's clothes  
Do you see who I am now you're standing this close?  
You know in these arms you're feeling everything All I got is my body and it's naked for you  
All I got is this heart that I'm willing to loose  
I know in this life I give it everything All I got is this soul and it's shedding it's clothes  
Do you see who I am now you're standing this close?  
You know in these arms you're feeling everything I'm completely undressed but I couldn't care less  
I'm standing here possessionless  
It's the only true test when the only thing left  
Is a love that is possessionless Is a love that is possessionless  
Is a love that is possessionless  
Is a love that is possessionless, possessionless  
Is a love that is possessionless  
Is a love that is possessionless
