Something's Coming

Utopia

Could be who knows?
There's something due any day
I will know right away
Soon as it showsIt may come cannonballin'
Down through the sky
Gleam in its eye, bright as a rose
Who knows?It's only just out of reach
Down the block on a beach, under a tree
I got a feeling there's a miracle due
Gonna come true, coming to meCould it be? Yes it could
Something's coming something good
If I can wait
Something's coming I don't know what it is
But it is, bonna be greatWith a click with a shock
Phone'll jingle door'll knock
Open the latch
Something's coming don't know when but it's soon
Catch the moon, one-handed catchAround the corner
Or whistling down the river
Come to meWill it be? Yes it will
Maybe just by holding still, it'll be there
Come on something come on in don't be shy
Meet a guy, pull up a chairThe air is humming
And something great is coming
Who knows?
It's only just out of reach
Down the block on a beach
Maybe tonight
