

# Drunk In Love

## Oceans Ate Alaska

I've been drinking, I've been drinking  
I get filthy when that liquor get into me  
I've been thinking, I've been thinking  
Why can't I keep my fingers off it, baby? I want you  
Why can't I keep my fingers off you, baby? I want you  
Cigars on ice, cigars on ice  
Feeling like an animal with these cameras in my grill  
Flashing lights, flashing lights  
We woke up in the kitchen saying  
"How the hell did this shit happen?"  
Last thing I remember is our beautiful bodies  
Grinding up in that club, drunk in love

We be all night, love, love  
We be all night, love, love

We be all night, and everything's all right  
No complaints from my body, so fluorescent with these lights  
Boy, I'm drinking, I'm singing on the mic to my boy's toys  
Then I fill the tub up halfway then she rides it with my surfboard  
Surfboard, surfboard  
Graining on that wood, graining, graining on that wood  
She's swerving on it, swerving, swerving on that  
Big booty been serving on this  
Swerving, surfing all in this good-good

We be all night, love, love  
We be all night, love, love

That D'ussÃ© is the shit if I do say so myself  
If I do say so myself  
Talking 'bout you be repping that Third  
I wanna see all that shit that I heard

We be all night, love, love  
We be all night, love, love
