

# Suspect

## Kaleb

Take me down  
Tonight, I'll walk  
Sit down and let me know my rights  
Tell about, tell about someone else  
I know it, I know it  
This time is suspect there are  
I talk and give me you the time  
So spare time and talk with me  
I'll do anything you want so suddenly  
But I don't know, all I can think about is you  
What words I have?  
Take time, we've spoken sixty-five  
S'all about, s'all about someone else  
I know it, I know it  
This time, I've suspect stolen dollar  
I talk with you this high  
Come and talk no tears  
  
Come and talk no tears  
Come and talk no tears  
Come and talk no tears, tears  
Tears I could swear  
Wasn't thinking right, wasn't there  
As for me, asking you  
Unbelievable, what'cha do?  
Tears I could swear  
Wasn't thinking right, wasn't there  
As for me, asking you  
Unbelievable, what you know I making wrong?  
And spare time and talk with me  
I'll do anything you want so suddenly  
Come and talk no tears  
Come and talk no tears  
Come and talk no tears  
Come and talk no tears, tears
