

# I Don't Wanna Go Home

## Klaatu

I see the hour's getting kinda late  
I know you've got to get to work by eight  
Yes I know  
But I don't wanna go home I wish you'd ask me to spend the night  
It may be wrong and it may be right  
I don't know

But I don't wanna go home 'Cause when I'm with you the time just goes by so fast  
Each time I kiss you I pray it won't be the last So if you ask me to go I will  
But I don't wanna go home  
Yes if you ask me you know I will  
But I don't wanna go home  
I wanna hold you close to me You wouldn't ask me to spend the night  
You may be wrong or you may be right  
I don't know

But I don't wanna go home The day I found you I thought my ship had arrived  
'Cause when I'm around you you make me feel so alive So if you ask me to go I will  
But I don't wanna go home  
Yes if you ask me you know I will  
But I don't wanna go home  
I wanna hold you close to me
