I Don't Wanna Go Home

Klaatu

I see the hour's getting kinda late
I know you've got to get to work by eight
Yes I know

But I don't wanna go homeI wish you'd ask me to spend the night

It may be wrong and it may be right

I don't know

But I don't wanna go home'Cause when I'm with you the time just goes by so fast Each time I kiss you I pray it won't be the lastSo if you ask me to go I will

But I don't wanna go home

Yes if you ask me you know I will

But I don't wanna go home

I wanna hold you close to meYou wouldn't ask me to spend the night You may be wrong or you may be right

I don't know

But I don't wanna go homeThe day I found you I thought my ship had arrived 'Cause when I'm around you you make me feel so aliveSo if you ask me to go I will

But I don't wanna go home
Yes if you ask me you know I will
But I don't wanna go home
I wanna hold you close to me
