

# Some Day One Day

Queen

You never heard my song before the music was too loud  
But now I think you hear me well for now we both know how  
No star can light our way in this cloud of dark and fear  
But some day, one day...Funny how the pages turn and hold us in between  
A misty castle awaits for you  
And you shall be a Queen (you shall be a Queen)  
Today the cloud, it hangs over us and all is grey  
But some day, one day...When I was you and you were me and we were very young  
Together took us nearly there, the rest may not be sung  
So still the cloud it hangs over us and we're alone  
But some day one day...  
We'll come home
