

Hatin' On You

Amerie

It's been on my mind, on my mind
It's just a matter of time, 'cause I
No matter how hard how hard I try to hide
I still be want you inside, inside my arms And really even if you said you would leave
'Cause I ain't ready, ready
Would just give me the need but if you be next to me
And my heart would belong to you before I would even know
Damned if you stay, damned if you don't
'Cause baby IOoh ooh, I be hatin' on you
Hatin', hatin' on you
You, you every time it feels so right
'Cause of the things that you do
Do, do, I be hatin' on you
Hatin', hatin' on you
You, you, you hating on you, oh
You, you, you hating on you And I, I don't wanna believe
That we could live the life I'm dreaming of
'Cause I don't wanna be in love
So I'm fightin' all the tenderness
And the moments that I can't forget
Oh it's irrelevant
'Cause it's just a matter of time, so baby IOoh ooh, I be hatin' on you
Hatin', hatin' on you
You, you every time it feels so right
'Cause of the things that you do
Do, do, I be hatin' on you
Hatin', hatin' on you
You, you, you hating on you, oh
You, you, you hating on you, I be hatin' on you I can't get away from you
I can't get away
Every little thing that you do
Every little thing that you do
You make me wanna be so close to you
Hating on you, hating on you Why do I feel this way?
Why do I feel this way?
It's more than I can take
It's more than I can take
But I ain't ready for this love, no, no
But you're all I'm thinking of And I, I'm just tryna live, live everyday

Like everything's so cool but I ain't a fool
'Cause it really don't take too much
One look, one touch
And baby I'm through, I'm though
I'm hating on you Ooh ooh, I be hatin' on you
Hatin', hatin' on you
You, you every time it feels so right
'Cause of the things that you do
Do, do, I be hatin' on you
Hatin', hatin' on you
You, you, you hating on you, oh
You, you, you hating on you Ooh ooh, I be hatin' on you
Hatin', hatin' on you
You, you every time it feels so right
'Cause of the things that you do
Do, do, I be hatin' on you
Hatin', hatin' on you
You, you, you hating on you, oh
You, you, you hating on you
Hatin', hatin' on you
You, you every time it feels so right
'Cause of the things that you do
Do, do, I be hatin' on you
Hatin', hatin' on you
You, you, you hating on you, oh
You, you, you hating on you
