

# Nothing Really Matters

## Illuminous 3

Watching the world  
Watching them all go insane  
Look at them all  
Looking them do evil things  
So I go out and dance  
Party my problems away  
Look at me now  
Look at me dancing again  
In a club nothing really matters  
but the beat  
In a club  
I rock club light, come out at Night  
shot 'til daylight  
Hot models my type  
Let's go, take flight  
Explode dynamite  
Disco blacklight  
In a club  
Party people rocking hardcore in a club  
DJ rock the fucking dancefloor in a club  
Hot mamas dancing, all alone, in a club  
I just came to rock on out, to escape from the world

Watching the world  
Watching them all go insane  
Look at them all  
Looking them do evil things  
So I go out and dance  
Party my problems away  
Look at me now  
Look at me dancing again  
In a club nothing really matters  
but the beat

In a club

Feeling like a star when I walk in the house

DJ spin that record and he burned down the house

Just like MC hammer I'mma turn the motha out

I'mma rock the dancefloor, check me out

I am with all my people, we gon' fuck up the place

I was stressed out, so I had to get away

The world is going mad, I think they gone crazy

So I just gotta break on out

In a club nothing really matters

Drop the beat
