

Absolutely Cuckoo

The Magnetic Fields

Don't fall in love with me yet
We only recently met
True I'm in love with you but
You might decide I'm a nut Give me a week or two to
Go absolutely cuckoo
Then, when you see your error
Then, you can flee in terror Like everybody else does
I only tell you this cause
I'm easy to get rid of
But not if you fall in love Know now that I'm on the make
And if you make a mistake
My heart will certainly break
I'll have to jump in a lake And all my friends will blame you
There's no telling what they'll do
It's only fair to tell you
I'm absolutely cuckoo Don't fall in love with me yet
We only recently met
True I'm in love with you but
You might decide I'm a nut Give me a week or two to
Go absolutely cuckoo
Then, when you see your error
Then, you can flee in terror Like everybody else does
I only tell you this cause
I'm easy to get rid of
But not if you fall in love Know now that I'm on the make
And if you make a mistake
My heart will certainly break
I'll have to jump in a lake And all my friends will blame you
There's no telling what they'll do
It's only fair to tell you
I'm absolutely cuckoo It's only fair to tell you
I'm absolutely cuckoo
