For Always

The Stems

I close my eyes
And there in the shadows I see your light
You come to me out of my dreams
Across the night
You take my hand
Though you may be so many stars away
I know that our spirits and souls are one
We've circled the moon and we've touched the sun
So here we'll stay
For always
Forever
Beyond here and on to eternity
For always
Forever
For us there's no time and no space
No barrier love won't erase
Wherever you go
I still know in my heart you will be
With me
From this day on
I'm certain that I'll never be alone

I know what my heart must have always known
That love has a power that's all it's own
And for always
Forever
Now we can fly
And for always
And always
We will go on beyond, goodbye
For always
Forever
Beyond here and on to eternity
For always
And ever
You'll be a part of me
And for always
Forever
A thousand tomorrows may cross the sky

And for always
And always
We will go on beyond, goodbye
