This is My Dance Floor

Bella Thorne

(with Zendaya)

[Verse 1 - Bella:]
We shook it up
Inside of the dance floor
Made our mark
Redefined the dance floor
We busting down the front door
Take it from the top

[Zendaya:]
Look whose back
We got the new moves
Less talk more dance
And thatâ€™s proof
Turn it up
And do how we do

[Both - Pre-chorus:]
Cause now we rolling up new
And itâ€™s just me and my crew
Here come the sequel debut
We breaking through
Already here in the zone
Feels like we conquered the throne
Yeah itâ€™s so good to be home

[Chorus]
This Is My Dancefloor
My Dancefloor
This is the night
So letâ€™s bring up the lights
This Is My Dancefloor
My Dance Floor
Everything more
Never seen this before
Iâ€™m stepping now
To a whole new beat
Taking the crowd
From their seats to their feet

Back with a new score
Itâ€™s what I live for
This Is My Dancefloor

[Verse 2 - Bella:]
Think theyâ€™re better
Beta tested
Alphabetically perfected
So hot itâ€™s boiling over
Just to give you full disclosure

[Both - Pre-chorus:]
Cause now we rolling up new
And itâ€™s just me and my crew
Here come the sequel debut
We breaking through
Already here in the zone
Feels like we conquered the throne
Yeah itâ€™s so good to be home

[Chorus]
This Is My Dancefloor
My Dancefloor
This is the night
So letâ€™s bring up the lights
This Is My Dancefloor
My Dance floor
Everything more
Never seen this before
Iâ€™m stepping now
To a whole new beat
Taking the crowd
From their seats to their feet
Back with a new score
Itâ€™s what I live for
This Is My Dancefloor [x2]

[Verse 3:]
Cause now we rolling up new
And itâ€™s just me and my crew
Already here in the zone
Feels like we conquered the throne
Yeah itâ€™s so good to be home

[Chorus]

This Is My Dancefloor
My Dancefloor
This is the night
So letâ€™s bring up the lights
This Is My Dancefloor
My Dance Floor
Everything more
Never seen this before
Iâ€™m stepping now
To a whole new beat
Taking the crowd
From their seats to their feet
Back with a new score
Itâ€™s what I live for
This Is My Dancefloor
