All Over the World

Electric Light Orchestra

Everybody all around the world
Gotta tell you what I just heard
There's gonna be a party all over the worldI got a message on the radio
But where it came from I don't really know
And I heard these voices calling all over the worldAll over the world
Everybody got the word
Everybody everywhere is gonna feel tonightEverybody walkin' down the street
Everybody movin' to the beat
They're gonna get hot down in the USA
(New York, Detroit, LA)We're gonna take a trip across the sea
Everybody come along with me
We're gonna hit the night down in Gay PareeAll over the world
Everybody got the word
Everybody everywhere is gonna feel tonightLondon, Hamburg, Paris, Rome
Rio, Hong Kong, Tokyo
LA, New York, Amsterdam
Monte Carlo, Shard End andAll over the world
Everybody got the word
Everybody everywhere is gonna feel tonightEverybody all around the world
Gotta tell you what I just heard
Everybody walkin' down the street
I know a place where we all can meetEverybody gonna have a good time
Everybody will shine till the daylightAll over the world
Everybody got the word
Everybody everywhere is gonna feel tonightAll over the world, everybody got the word
All over the world, everybody got the word
All over the world, everybody got the word
