Push You Out

Everyone Leaves

You were an out of focus picture of a life I thought I wanted for myself,
But I found somebody else.
You were all the little things I'd hoped that life would bring to me.
And I know I say I'm sorry all the time, but this is who I'll always be.
I won't take back what took me twenty years to give.
Breath in, relax.
It'll all be over soon.
I won't take back what took me twenty years to find a way
To give away
You pushed and watched me fall away.
You were an out of focus picture of a life I thought I wanted for myself,
But I found somebody else.You were all the little things I'd hoped that life would bring to me.
And I know I say I'm sorry all the time, but this is who I'll always be.
Don't try to tell me I'm wrong, I've done this all before.It always ends the same. I always feel this way.
Don't try to tell me I'm wrong, I've done this all before.
It always ends the same. I have to walk away.
You were an out of focus picture of a life I thought I wanted for myself,But I found somebody else.
You were all the little things I'd hoped that life would bring to me.
And I know I say I'm sorry all the time, but this is who I'll always be.
