When Emily Cries

Television Personalities

Emily cries in her bedroom at night
Dreams in her sleep of the boy that she loves
Letters he sent will she treasure before
Scattered in pieces on her bedroom floorShe's so sad
She's so sad
Hear her cry through the night
She's so sad
She's so sad
Hear her cry through the nightShe'll never love againMelanie cries in her bedroom at night
Dreams in her sleep of the boy that she loves
Letters he sent will she treasure before
Now her heart is broken she'll never love againLove is blue
Why does it hurt?
So much pain, so much pain
Yeah love is blue
Why does it hurt so much
So much pain, so much painShe'll never love again
Too scared to fall in love agin
She'll never love again
Too scared to fall in love again
She'll never love againToo scared to even try again
