

# Crawl

## OFF!

Stack it high against the skyâ€”I'm a man, I make you mineâ€”  
Doesn't matter, standing crawlâ€”  
Every penny take the grossâ€”â€”Freezing like to scare degrees  
â€”It's all for sale, it's up for lease  
â€”Funny how the money fallsâ€”  
Gonna make you crawlâ€”â€”Not too hard to comprehendâ€”  
Going too fast, it's no relianceâ€”  
'Cause it all makes perfect senseâ€”  
This is not by accidentâ€”â€”It's now you like to scare degreesâ€”  
It's all for sale, it's up for lease  
â€”Funny how the money fallsâ€”  
Gonna make you crawl
