Sound System

OPM

Now wait wait wait

Hold on now a minute
I'd like to say something I just can't forget
Since the day
I was brought into this world
I was made to bless the boys and girls
With the beat from the past
I know the beat is drastic

If you step up

Then you're gonna get you're ass kicked

Blasted

Now we're doing our time

But the music of Jamaica always makes me feel fine

We gonna grind

And wind up your way

Tell the DJ he better pump up the base

Tell the DJ she better pump up the base

And when we hit the town we gonna mosh up the placeHooooorah round my left side

And Hooooorah round my right

This is how we rolling when we rolling through the night

Singing

Sound system in my backyard tonight Everybody's moving with me up all night

Turn up that volume lads

Wake up the town

Police men come but he can't shut us down

No noNext stop

Now bump up the style

(What)

Bump up the town

If ya coming around then we gonna get down

Talk Possa (????)

Well ya better back it up

Coz I got the full form in the back of my truck

And if you wanna bring it on

Then its gonna get fucked

I said you wanna get down

Then its gonna get fucked

You need a hit (ahh)

I got the THC

Its time to motivate against the powers that be
We got the sound system for the masses to move
We got the sound system for the asses to groove
So grind and mosh up the place

And tell the DJ she better pump up the baseHooooorah round my left side
And Hooooorah round my right

This is how we rolling when we rolling through the night Singing

Sound system in my backyard tonight Everybody's moving with me up all night Turn up that volume lads

Wake up the town

Police men come but he can't shut us down

No noNa na na na na na

Na na na na na na

Everybody everybody

Na na na na na na

Na na na na na na

Everybody everybody

Na na na na na na

Everybody got the whole back line now

Na na na na na na

Push it up style, nice party

Na na na na na na

When we rolling with thatHooooorah round my left side
And Hooooorah round my right
This is how we rolling when we rolling through the night
Singing

Sound system in my backyard tonight
Everybody's moving with me up all night
Turn up that volume lads

Wake up the town

Police men come but he can't shut us down
No noSound system got me feeling alright tonight
Pumping on the dojay and sipping on the red stripe
Sound system got me feeling alright tonight
Pumping on the dojay and sipping on the red stripe
Sound system got me feeling alright tonight
Pumping on the dojay and sipping on the red stripe
Sound system got me feeling alright tonight
Pumping on the dojay and sipping on the red stripe
Sound system got me feeling alright tonight
Pumping on the dojay and sipping on the red stripe

Sound system got me feeling alright tonight

Pumping on the dojay and sipping on the red stripe
