

Feel the Raindrops (Extended Remix)

The Adventures

I am injured and confused
feel the pressures of my youth.
In my innocence they drag me downthere is nothing left to lose.I feel the raindrops on my headWatch the sun
'til my eyes turn redStill I can hear those things you said
you said.Through the rain I feel your tearsHelps me beat these endless years.
Just one feeling lingers that of sorrowNow I'm screaming
no one hears.
I feel the raindrops on my head
. . .I feel the raindrops on my head
...
I feel the raindrops on my head
...
You said
you said
you said
you said.
