

Worm (Locate Consume Repeat Mix)

Ministry

Life sucks
And death is calling
Every day I keep my chin up
But my spirit's falling
Every day On and on and on and on
It goes
On and on and on and on Last night
Won't see the morning
Every day
I see the sunset as an endless warning
Every day On and on and on and on
It goes
On and on and on and on Knife cuts
Through all that I wanted
Every day It's like living in a
House that's haunted
Every day On and on and on and on
It goes
On and on and on and on...and all is well in our world
