

Is This Love?

Chris Brown

17 tight jeans and she 'bout it
White beater T, pretty teeth, yeah she got em
Her body commands your attention
(She keeps it so gutta man) Can I take you out?
(Ill pay for it)
Girl, I got enough
(So enjoy it) Im hoping that your momma dont mind
'Cause girl I gotta make you mine, yeah
Girl give me a chance, Im a take it
Yeah, I know Im young but Ill take it
I just gotta know, yeah (Is this love)
'Cause I gotta know
(Is this real)
Girl I gotta know
Is it you taking over my heart (If it's love)
Then all my girls and them I gotta give them up
(It's love)
My playing days is over I gotta hang it up
I gotta know, I gotta know, yeah, is this love If she gotta man I dont care 'cause I need her
I gotta girl but if she want Im a leave her
She can be the girl that Im putting on
(We keep it so gutta man) Im a b the nigga that'll change her
Make that other dude like a stranger
I just gotta know, tell me (Is this love)
'Cause I gotta know
(Is this real)
Girl I gotta know
Is it you taking over my heart (If it's love)
Then all my girls and them I gotta give them up
(It's love)
My playing days is over I gotta hang it up
I gotta know, I gotta know, yeah, is this love I aint been doin' much sleepin'
Just day dreamin'
'Cause she's all up in my head
And I can't take it I aint never, ever felt like this
I gotta know, I gotta know, I gotta know
Is this how love really is
(Is this love) 'Cause I gotta know
(Is this real)

Girl I gotta know
Is it you taking over my heart(If it's love)
Then all my girls and them I gotta give them up
(It's love)
My playing days is over I gotta hang it up
I gotta know, I gotta know, yeah(Is this love)
'Cause I gotta know
(Is this real)
Girl I gotta know
Is it you taking over my heart(If it's love)
Then all my girls and them I gotta give them up
(It's love)
My playing days is over I gotta hang it up
I gotta know, I gotta know, yeah, is this love
