

Why Should I Love You? (feat. Prince)

Kate Bush

This chapter says
"Put it out of your mind"
Give it timeThe fine purple
The purest gold
The red of the Sacred Heart
The gray of a ghost
The "L" of the lips are open
To the "O" of the host
The "V" of the velvetOf all of the people in the world
Why should I love you?
There's just something 'bout you
There's just something 'bout you
Of all the people in the world
Why should I love you?Have you ever seen a picture
Of Jesus laughing?
Mmm, do you think
He had a beautiful smile?
A smile that healedOf all the people in the world
Why should I love you?
There's just something 'bout you
There's just something 'bout you
Of all the people in the world
Why should I love you?
Of all the people in the world
Why should I love you?The fine purple
The purest gold
The red of the Sacred Heart
The gray of a ghost
The "L" of the lips are open
The "O" of the host
The "V" of the velvet
The "E" of my eye
The eye in wonder
The eye that sees
The "I" that loves youOf all the people in the world
Why should I love you?
