

Barbarella

Alisha's Attic

The feeling is growing
We have to keep up with the Jones"
We have to keep up the demand
Because the supply is getting more
Will there be catastrophic circumstances
If the e-mail and dot comms capture the world
And cyberspace is a holiday place
And your best friend lives on MarsDo you remember
Glamour on Sunset Boulevard?
Do you remember?
Do you remember?
When ladies were ladies
And men were men
But now the future"s taking over
We"re out of control againIt"s more like Barbarella
Barbarella
It"s not like the old 50"s glamourComing out of the 90"s
Everybody thinks we"re getting wiser
"Cos we"re seeing 3-dimensional and
We"re filling up wide open space
Interactive - the word of the moment
Laughs the old gentleman in the face
A generation we can never replace
Never never replace
