

# Let's Dance

Scotty Vanity

Call up all your friends and wear the latest trends  
This is your chance to get up and dance  
Let's strike up a pose at the disco  
In our hot pink stilettos

Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey

Everybody knows how the beat goes  
Tell the DJ to turn up the stereo  
Let's play at the rave  
This song is like my total fave

Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey

Hello Kitty hair barrettes and lime green fish nets  
We're the highlight of the nightlife  
It's disco insanity  
Everybody's fantasy  
Get up and dance with Scotty Vanity

Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey  
Let's Dance, Let's Play, Let's Scream  
Hey Hey

Let's Dance, Let's Play, Let's Scream

Hey Hey

Pshyeah
