Lazy Days

Shwayze

Lazy days in Los Angeles

If it ain't your parents it's the damn police

We just wanna get our kicks for free

We just wanna get our kicks for freeWell, I was walkin' through MacArthur Park

ve just wanna get our kieks for free wen, i was warkin unough wacant

Lookin' for some sugar just to cure my heart

And after dark I talk to the cabby

'Cause he drives me home if I call him daddy

And it's alrightJust as long as I can get high

Sit back and watch the sunset in the sky

I don't know if you know what I mean

But it's love in Los AngelesHey, lazy days in Los Angeles

If it ain't your parents it's the damn police

We just wanna get our kicks for free

We just wanna get our kicks for freeLazy days in Los Angeles

If it ain't your parents it's the damn police

We just wanna get our kicks for free

We just wanna get our kicks for freeWalkin' through Malibu, not a thing to do

Gotta find a fine young little girl to screw over

I never meant to block your sunshine

I never meant to block your sunshine

I never meant to block your sunI don't know if you know what I mean

But it's love in Los AngelesLazy days in Los Angeles

If it ain't your parents it's the damn police

We just wanna get our kicks for free

We just wanna get our kicks for freeLazy days in Los Angeles

If it ain't your parents it's the damn police

We just wanna get our kicks for free

We just wanna get our kicks for freeNow everybody clap your hands

We're gonna do the dirty dance

Now everybody stomp your feet

To the beat, c'monWe just wanna get our kicks for free

We just wanna get our kicks for free

Tryna get 'em for free

We just wanna get our kicks for free

Tryna get 'em for freeI don't know if you know what I mean

But it's love in Los Angeles

It's love, it's love, it's loveLazy days in Los Angeles

If it ain't your parents it's the damn police

We just wanna get our kicks for free

We just wanna get our kicks for freeLazy days in Los Angeles If it ain't your parents it's the damn police We just wanna get our kicks for free We just wanna get our kicks for freeLazy days in Los Angeles If it ain't your parents it's the damn police We just wanna get our kicks for free We just wanna get our kicks for freeLazy days in Los Angeles If it ain't your parents it's the damn police We just wanna get our kicks for free We just wanna get our kicks for freeLazy days in Los Angeles If it ain't your parents it's the damn police We just wanna get our kicks for free We just wanna get our kicks for freeLazy days in Los Angeles If it ain't your parents, it's the damn police We just wanna get our kicks for free We just wanna get our kicks for free
