

Broken Hearts

Def Tech

I remember the first time saw you
With your pretty brown eyes that sparkled
 In the light
 And your long brown hair
And the way you could dance so well
 And you took the air I'm breathing
 And stole my heart
 I don't know what happened
 But we fell apart
 You left me with the Broken Heart
 Broken Heart
 Broken hearts they never fade away
 and Broken hearts are here to stay
 I know what we've been waiting for
 But that doesn't give you the excuse too
 Then all the reason you can
 Especially, my best friend
 Cause you took the air I'm breathing
 You stole my heart
 I don't know what happened
 But we fell apart
 You left me with the Broken Heart

 Broken Heart
 Broken hearts they never fade away
 and Broken hearts are here to stay
 Cause you took the air I'm breathing
 You stole my heart
 I don't know what happened
 But we fell apart
 You left me with the Broken Heart
 Broken Heart
 You took the air I'm breathing
 You stole my heart
 I don't know what happened
 But we fell apart
 You left me with the Broken Heart
 Broken Heart
 Broken hearts they never fade away

Cause you took the air I'm breathing
You stole my heart
I don't know what happened
But we fell apart
You left me with the Broken Heart
Broken Heart
