Sucker Upper

Murmurs

Asexual, far from intellectual
Fashion stealer, free-wheeler
Bats her eyes to cover up her liesShe's a sucker upper, starfucker
Sucker upper, starfucker
And I'm gonna blow her coverMy friend, my friend saw you in a coffee shop
She thought you were cute
She thought you were hot
But I thought notShe's trash, she's pretty
She's good enough to do
But we got bored
Now everyone's over youShe's asexual, far from intellectual
Fashion stealer, free-wheeler
Bats her eyes to cover up her liesShe's a sucker upper, starfucker
Sucker upper, starfucker
I'm gonna blow her coverAsexual, far from intellectual
Fashion stealer, free-wheeler
Bats her eyes to cover up her liesShe's a sucker upper, starfucker
Sucker upper, starfucker
And I'm gonna blow her coverFix it, strap it
Wrap it around your arm
So you won't forget
When you're gone so long
