

# Love Is

## Dara Maclean

I tried the perfect life  
I couldn't make it right  
Living days like lies I couldn't keep  
I was too blind to see  
I was the enemy  
At the end of all that I could do  
The light came in and I saw You  
It's Your love that saved me  
Even when my heart was breaking  
You kept on fighting through  
That's just what You do  
This love, so crazy  
Strong enough to hold me steady  
All You'll ever be  
All I ever need  
Love IsHow could I be the same  
Once I was saved by grace  
You put together every broken piece  
Now faded are the scars  
And all the wasted hours  
With everyday Your kindness wins  
Now and forever I will sing  
Love is patient, love is kind  
Love won't ever change its mind  
Love is  
Love, it hopes, it always trusts  
Love, it sees the best in usYour love is
