New Gospel

Darden Smith

Don't you want to sing a new gospel?
Don't you want to find a way to rise above?
If we both believe in the resurrection
We can find a new life for our love
It's a new GospelDon't you want to hear the good news of forgiveness?
Sins against our love are washed away
We have come through the valley of temptation
We have found a way to keep the faith
It's a new GospelWell, you might say, I'm like a new apostle
You might say this love it is my creed
But I will go on preaching this new gospel
It's the saving grace for you and me
It's a new Gospel
Let love, sweet love be born again
