Break Me Down (2016 Remastered)

Red

A long day alone, emptiness is so real
Never having peace of mind
Running from what I can't sing
And there is nowhere left to hide
Turn and face these empty lies
All alone, heart unturned, trying to findBreak me down, replace this fear inside
Take this nothingness from me
I want to fight, I want to shine
I want to rise, break me downI try to find myself
I find the stranger trapped inside
And I'll take one more step away
From the face I used to recognize
Familiar shadows closing in
Suffocating fear descends
You killed a life, uncovered eyesI'm trying to find
Break me down replace this fear inside
Take this nothingness from me
I want to fight, I want to shine
I want to rise, break me downReplace this fear inside
Take this nothingness from me
I want to fight, I want to shine
I want to rise, break me downBreak me down
I want to fight, I want to shine
I want to rise, break me down
Break me downBreak me
