Tin Soldier

Steve Marriott

I am a little tin soldier
That wants to jump into your fire
You, are a look in your eye
A dream passing by in the sky

But I don't understand
And all I need is treat me like a man
'Cause I ain't no child
Take me like I am

I got the love that belongs to you
Do anything that you want me to
Sing any song that you want me to
Sing to you
I don't need no aggravation
Listen, I just got to make you
I just got to make you
I just got to make you understand
All I need is your whispered hello
Smiles melting the snow with one word
Your eyes, they are deeper than time
Say love that won't die without words
So now I've lost my way
I need help to show me things to say
So give me your love
Before I fade away
I just want some reaction
Something to give me satisfaction
[...] to be with you
'Cause I love you
