

Let It Go (feat. jACQ)

D3nch

Verse 1:I've been down side to side,
My body's moving and I need some time,
To clear my head and let just go,
Off my back and let it roll,I've been down side to side,
My body's moving and I need this time,
To clear my head and let just go,
You gotta let it go,Let go,
Let just go,
Let go,You gotta let it go,
You gotta to let itChorus 1:Let go,
Let go,
Let go,
You gotta to let it go,
You gotta,
You gotta let it go,
You gotta,Verse 2:I've been down side to side,
My body's moving and I need some time,
To clear my head and let just go,
Off my back and let it roll,I've been down side to side,
My body's moving and I need this time,
To clear my head and let just go,
You gotta let it go,Let go,
Let just go,
Let go,You gotta let it go,
You gotta to let itChorus 2:Let go,
Let go,
Let go,
You gotta to let it go
