Fortune's Fool

Antifreeze

Give me one chance
and I could make her mine
You are so cruel to give us both so little time
What is your plan?
to make me feel this way
when I'm content...
you take it all awayYou show me how great life can be
Then you take all life's pleasure from me
You leave me all of my pain and my doubt
Just think about the cards you have handed meDestiny, Please tell me
Why you play with my heart
Spare me this heartache bliss
Bring her to my arms and leave us alone
