

Fortune's Fool

Antifreeze

Give me one chance
and I could make her mine
You are so cruel to give us both so little time
 What is your plan?
 to make me feel this way
 when I'm content...
you take it all awayYou show me how great life can be
 Then you take all life's pleasure from me
 You leave me all of my pain and my doubt
Just think about the cards you have handed meDestiny, Please tell me
 Why you play with my heart
 Spare me this heartache bliss
Bring her to my arms and leave us alone
