A silver lining  
Take my building  
Take my pizza  
There's cloud  
I feel so threatened  
It's a dustbowl  
Is there hope?  
A cloud of dust  
A blue horizon  
Go to Texas  
Back to New York  
Where's my pizza?  
Where's my building?  
Where's my brother?  
How's the pizza?  
Fucking awful  
Now it's raining  
How's the people?  
Fucking boring  
Bowl of mud  
I get confused  
Disoriented  
Where am I?  
Back in New York  
It's a desert  
Made of mud  
Dusty blood  
Soggy crud  
Now it's raining  
Where's my lining?  
Good for it  
Silver lining  
Leave the dustbowl  
Where's my building?  
Leave the building  
Where's my building?  
Where's my brother?  
How's the pizza?  
How's the weather?

It's a desert  
Home to New York  
Go to Maine  
I'm in Maine  
Stay in Maine  
Back to New York  
Good to see you  
Good to see you  
For a minute  
Wanna seed  
Gotta sow  
Wanna flower  
Gotta grow  
Where's the tower?  
Don't you know?  
Where's the other?  
Had to go

Awful secret desert pizza brother people building Texas tower tower boring burning  
How's the how's the how's the
