## Truth Hurts

He breaks me down, he builds me up  
He fills my cup, I like it rough  
We fuss, we brawl, we rise, we fall  
He comes in late but it's okay  
He do, I do, he knows the rules  
He takes care of home though he's not alone  
I'm on his knee, he keeps me clean  
And gives me things, he makes me scream  
He's so contagious, returns my pages  
He's got me anxious, he's what I waited for  
He keeps me guessin?, spontaneous  
He's so persuasive and I'm his lady  
Oh, tonight he's waitin? and I ain't complainin?  
I'm entertainin? my number one fan  
My back is achin? from our love makin?  
Oh, yes I'm takin?, ain't no use in fakin?  
My ups, my downs, my high and my lows  
From head to toe he makes me glow  
He hits the spot, he makes me hot  
I'm all that he's got and he's all that I got  
Thinkin? of a masterplan

You know anything you need, baby, ask your man  
You was there from a half a grand  
Now it's kelos to C notes and how fast your grands  
We ball like we own the world  
Your only concern is you my only girl  
And when we speakin? in tongues  
Breathin? hard when I'm squeezin? your lungs  
Keep it strong, but I gotta hit the streets when I'm done  
It's joy and pain, when you try to get ahead of the game  
It's fucked up but you never complain  
You just pray I don't get killed when I hit the hood  
Just another hundred mill and I'm a quit for good  
No more drug wars trips to jail and shootouts  
Getting? loot out for lawyers and bail will get you boot out  
Just me and you high off sex I'm twisted  
You O G'd and you O D addicted  
He's so contagious, returns my pages

He's got me anxious, he's what I waited for  
He keeps me guessin', spontaneous  
He's so persuasive and I'm his lady
