Across The Universe

Soundtrack

(lennon/mccartney)Words are flying out like
Endless rain into a paper cup
They slither while they pass
They slip away across the universe
Pools of sorrow waves of joy
Are drifting thorough my open mind
Possessing and caressing meJai guru deva om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my worldImages of broken light
Which dance before me like a million eyes
That call me on and on across the universe
Thoughts meander like a restless wind inside a letter box
They tumble blindly as they make their way across the universeJai guru deva om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my worldSounds of laughter shades of earth
Are ringing through my open views
Inciting and inviting me
Limitless undying love
Which shines around me like a million suns
It calls me on and on across the universeJai guru deva om
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Nothing's gonna change my world
Jai guru deva
Jai guru deva
