Don't Let That Happen to Us

Carl Belew

I'm so happy we're still happy and together
And I'm happy you're still dreaming dreams of only me
It's too bad the way our neighbor's dreams just crumble into dust
Darling let's don't let that happen to us
Darling let's don't let us be just two more losers
Thanks to our old fashioned love we both can afford to still be choosers
We both seen many wedding rings suddenly turn to rust
Darling let's don't let that happen to usThere's so many broken hearts and homes around us
But our old fashioned love is always new
We seen married couples stroll through life without true love or trust
Darling let's don't let that happen to us
Darling let's don't let us be...
Darling we won't let that happen to us
