

# Don't Let That Happen to Us

[Carl Belew](#)

I'm so happy we're still happy and together  
And I'm happy you're still dreaming dreams of only me  
It's too bad the way our neighbor's dreams just crumble into dust  
Darling let's don't let that happen to us  
Darling let's don't let us be just two more losers  
Thanks to our old fashioned love we both can afford to still be choosers  
We both seen many wedding rings suddenly turn to rust  
Darling let's don't let that happen to us There's so many broken hearts and homes around us  
But our old fashioned love is always new  
We seen married couples stroll through life without true love or trust  
Darling let's don't let that happen to us  
Darling let's don't let us be...  
Darling we won't let that happen to us
