

Losing It

Never Shout Never

All we ever did was move around
I was always the new kid
Never the cool kid And all I ever wanted to do
Was to fall in love
Just to be in love But my heart was racing
My mind was screaming
"You've got your whole life to do these things"
But my legs were shaking
My hands were searching
For her in the backseat of my car I just lost it
And I can't believe it I knew I was only sixteen
But I thought I loved her
And it'd last forever But only if I knew
That she wasn't true
How could she do this to me? My heart was racing
My mind was screaming
"You've got your whole life to do these things"
But my legs were shaking
My hands were searching
For her in the backseat of my car I just lost it
And I can't believe it
