

# Seventeen (Studio Demo)

## Winger

Yey I saw sparks fly, from the corner of my eye  
When I turned, it was love at first sight  
I said please excuse me, I didn't catch your name  
Oh it'd be a shame not to see you again And just when I thought she was comin' to my door  
She whispered sweet and brought me to the floor, she said I'm only seventeen (seventeen), but I'll show you  
love like you've never seen  
She's only seventeen (seventeen), daddy says she's too young, but she's old enough for me Come to my place,  
we can talk it over, oh everything going down in your head  
She said take it easy, I need some time, time to work it out, to make you mine And just when I thought she was  
comin' to my door  
She whispered sweet and brought me to the floor, she said I'm only seventeen (seventeen), you ain't seen love,  
ain't seen nothing like me  
She's only seventeen, seventeen yeah yea Yes! Such a bad girl, loves to work me overtime  
Feels good (ha), dancin' close to the borderline  
She's a magic mountain, she's a leather glove  
Oh she's my soul, it must be love She's only seventeen (seventeen), I used to give her love, like I've never seen  
She's only seventeen (seventeen), daddy says she's too young, but she's old enough for me (seventeen)  
She's everything I need (seventeen), daddy says she's too young  
But she's old enough, old enough for me
