

# Crave

## Pharrell Williams

Craaaave, yeah (hey!)  
Come on, hah  
Move like that  
Look at here, can you move like that?  
Huh, move like that  
Look at here, can you move like that? It keeps me up (crave)  
Anxiety (crave)  
Even when I'm yawnin'  
With your machine gun, brrrrmp-a-ding-ding  
I keep rollin' over (crave)  
I can't get no sleep (crave)  
My love is pourin',  
Yeah from ya machine gun, brrrrmp-a-ding-ding Bang bang, feel the pain  
Everybody, feel the pain  
Bang bang, feel the pain  
Everybody, feel the pain So help me (cravin')  
I'm on the sidewalk (you got me cravin')  
I'm fallin' over (you got me cravin')  
Rockin' back and forth (you got me holdin' my hand)  
So help me (cravin')  
I'm on the sidewalk (you got me cravin')  
I'm fallin' over (you got me cravin')  
Rockin' back and forth (so I'm here waitin' for you, girl)  
(Horns!) Take what you want (crave)  
Take what you need (crave)  
Move me around, baby  
With your machine gun, brrrrmp-a-ding-ding  
And I'm so gone (crave)  
Girl now you're free (crave)  
You shoot me down baby,  
From your machine gun, brrrrmp-a-ding-ding Bang bang, feel the pain (oh you got me)  
Everybody, feel the pain (in the heart, baby)  
Bang bang, feel the pain (I give up)  
Everybody, feel the pain So help me (cravin')  
I'm on the sidewalk (you got me cravin')  
I'm fallin' over (you got me cravin')  
Rockin' back and forth (you got me holdin' my hand)  
So help me (cravin')  
I'm on the sidewalk (you got me cravin')

I'm fallin' over (you got me cravin')  
Rockin' back and forth (so I'm here waitin' for you, girl)Help me, ah
