Suburbia

Closet Monster

Born and raised in Suburbia in a middle class life with no idea, you don't know where you're going, you don't know where you been but you don't even care cause you are just a kid Dance boy (or girl) dance, while you still can No need to grow up before your time is through, take your time... you're in your youth Welcome to Suburbia: a safe secure place to grow up Because you're born and raised in Suburbia, all you need to do is waste time and have fun Born and raised in Suburbia, you don't know where you're going, don't know where you been, and you don't seem care cause you're just a kid No need to get old before your time is through, take your time... it's up to you Welcome to Suburbia: a safe secure place to grow up Born and raised in Suburbia and you don't know where you are going, don't know where you been, and you don't seem to care because you're just a kid No need to worry cause you are sheltered from the truth, take your time... there's nothing new Welcome to Suburbia: a safe secure place to grow up
