

Walking in the Shadow of the Blues

Whitesnake

I love the blues
They tell my story,
If you don't feel it you can never understand
So many times I thought about it
And now I know just what it means to be a man
Everyday I realize you can see it in my eyes
I never wait, or hesitate
'Cause I love the life I live
I'm gonna live the life I choose
You gotta understand
I'm walking in the shadow of the blues
All of my life I've had a strange reputation,
I've been the black sheep of the family all along
I never know if in my heart I'm really guilty
But, I've been accused of never knowing right from wrong
Everyday I realize you can see it in my eyes
I never wait, or hesitate
'Cause I love the life I live
I'm gonna live the life I choose
You gotta understand
I'm walking in the shadow of the blues
My father said you're crazy
He said what you gonna do?
I left with my guitar and said
I'll leave it up to you
I'm gonna live the life I love
And live the life I choose,
And I'm walking in the shadow of the blues
I love the blues,
They tell my story,
If you don't feel it I will tell you once again
All of my life I've been caught up in a crossfire
'Cause I've been branded with the devil mark of cain
Everyday I realize you can see it in my eyes
I never wait, or hesitate
'Cause I love the life I live
I'm gonna live the life I choose, yeah
You gotta understand
I'm walking in the shadow of the blues
I'm walking in the shadow of the blues, yeah
