Can't control it æ™ãã-è‰ã² It's marvelous  
ãããããã,‰ãã Mind Shift, weekend, buildings,  
people just fishing away their school days, take a deep breathTake it all off and go right down the hole  
Into the special-ness letting go of control

Lounging with the wind floating right through your spine  
Living it like a seagull soaring with the ultimate shine  
Serenity of peace resonating inside  
The art of allowing showing an effortless glide  
Decide, decide, decide what you going find  
And trust the rest to the universe, yeahEhh wha chu going do afta dis Brah?  
Howzit, shaka spirit, got Aloha?  
Honolulu, Waikiki, Kamehameha  
Catch you next time, AU RIIITTE!  
K den, lates, shoots, peace with much Mahalo!
