

The Rope

Bettie Serveert

You pulled the slipknot right out of my hands

I cant criticize what I dont understand

But I always thought you would fit me too well

Youre hand in glove with my personal hellAnd it was so easy to cut myself free

I didnt know then but you had been leaning on meYour logic defies every reason I find

I didnt see it back then, but it was so close to mine

But you took me in when I wasnt too well

And then tried to spare me your personal hellAnd I cant deny what I know to be true

Deep down inside of me, right from the start it was youYour logic defies every reason, I find

I didnt see it back then, but it was so close to mine

You took me in when I wasnt too well

You knew Im scared, I know you can tellSo why would I mind if youre leaning on me

Its the least I can do for someone whos so dear to me

To me
