

Chroma-Matic

Static-X

Advisory - the following lyrics contain explicit language:

Winding it up
Like a wound metal fuzz box
Tuning it up
Make your neck bend round Plugging it in
To the primary noise box
Making it raw
Make your brain shut down Origin known
To the few chroma-matic
It shakes your eyes
And it shocks you wide Tuning it down
To the end note, feedback
Fuzz back, head scratch
Phase loop, heart attack Chroma-matic
Chroma-matic
Chroma-matic
Chroma-matic Origin known
To the few chroma-matic
It shakes your eyes
And it shocks you wide Tuning it down
To the end note, feedback
Full stack, head crack
Slam that Cadillac Chroma-matic
Chroma-matic
Chroma-matic
Chroma-matic
