Harry Dean

SWMRS

I wanna be a rebel
I wanna be James Dean
I wanna be a bad-ass mother on the cover of a magazine
I wanna be your trigger
I wanna hear your voice
I wanna kick some ass, I wanna take some acid and I'll feel alright

And then I'll feel alright(x4)

Always so fucking uptight
Let's cut loose, go out tonight
Tomorrow you can still look clean
But tonight let's fight like Harry Dean

Like Harry Dean(x3)

I wanna make you laugh, set your brain on fire
Don't wanna be a saint,
Don't wanna save your soul,
Just wanna play guitar.
I wanna be your riot girl
I wanna wear cool clothes
Don't wanna be dork no more tonight, but that's how it goes
I guess I'll feel alright

And then I'll feel alright(x3)

Always so fucking uptight
Let's cut loose, go out tonight
Tomorrow you can still look clean
But tonight let's fight like Harry Dean

Like Harry Dean(x7)
